SoOum Corp & Flying W Ranch, Inc.

SoOum

SoOum was established in February, 2013. Join us as we embark on a long journey in the world of Physical Commodities arbitrage/trading. We identify arbitrage opportunities on supply and demand shifts of physical commodities in opposing markets, and we distribute trade intelligence to global subscribers in order to solve the frontier supply shortage and to bring new business to local manufactures. Unlike specialized supply chains SoOum's solution focuses on broad, real-time, information management, reliable trade economics and proprietary algorithms to find surpluses and fill shortages.

SoOum

1. Cattle Slaughtered < 30 Months of Age
2. Cattle Tracked via ear tag for hormone and feeding
3. Cattle either or:
 - a) Must be fed 100 or more days on 70% High Energy Grain Ration
 - b) Meat inspected and tested for choice grade.

SoOum Meats Division - Cattle / Beef

Premium 100% USDA Meats

- ❑ all cuts
- ❑ any size
- ❑ any certification & grade

Our partners “Flying W. Ranch, Arizona USA” have been raising cattle and distributing cattle and beef products for over 30 years. Cattle are ready for slaughter on an ongoing basis. Grass fed & organic upon request - or fed as desired!
